Responsibilities

- Develop and implement age-appropriate curriculum that promotes literacy, social skills, and physical development.

- Create a nurturing and stimulating classroom environment that encourages exploration and learning.
- Manage classroom behavior effectively to promote positive interactions among students.
- Assess student progress and adapt teaching strategies to meet individual needs.
- Communicate regularly with parents about their child's development and classroom activities.
- Foster a love for learning through creative play, hands-on activities, and structured lessons.

Qualifications

- Bachelor's, Associate's, TCD, TCC, or CDA in Early Childhood Education or Child Development
- Minimum 1–2 years of teaching experience in a licensed childcare setting
- CPR/First Aid certified (or willingness to obtain)
- Must meet all state licensing requirements, including background checks
- Strong understanding of child development principles and best practices in early education
- Excellent communication skills to engage with children, parents, and staff effectively
- Ability to create engaging lesson plans that cater to diverse learning styles
- Ability to lift up to 40 lbs. and engage physically with children throughout the day

If you are excited about shaping young minds and making a difference in children's lives, we invite you to apply today at Beacon Hill Schools!
